Marong Athletics Sports Day

All students will be transported to and from this event tomorrow.

Students will rotate through a series of activities, which include clinics presented by Athletics coaches and they will participate in some Athletics events. We anticipate they will move through a total of eight activities on the day. Due to the fact our buses need to return to Marong by 3pm we will be under some time constraints and we may not be able to fit all events into the schedule. Students need to be dressed for athletics activities in shorts, runners and school tops. Please ensure they have a hat and sun screen. They will also need a drink bottle, lunch and snacks. Students with asthmatic conditions need to carry their medication with them. A first aid officer will be available. Parents are welcome to attend, however note that the canteen will not be open although there are plenty of cafes nearby. The complex is in Retreat Road Flora Hill.
